Dear Friends,

Just a reminder that our final Legacy Lecture before summer break will feature Derral Eves, Co-founder and Executive Producer of *The Chosen* series. The lecture will be held on Monday, May 6th at noon in the Auditorium of the main building of Dixie Technical College. Dixie Technical College is located on the hill where the old St. George Airport used to be. The address is 610 S. Tech Ridge Drive, St. George, UT 84770. There is parking on both sides of the main building.

Derral Eves is a family man of great faith. He and his wife Carolyn live in Hurricane, Utah, and have five amazing kids—one daughter then four sons. Derral served a mission in Paraguay, and his wife, Carolyn, served in California. Their daughter Ellie, and their sons Logan and Kelton have all served missions for the Church of Jesus Christ of Latter-day Saints. Derral has served in several callings, including Elders Quorum President, Bishopric counselor, Bishop, and a counselor to the Stake President. His current calling is a Service Missionary assigned to Church Headquarters.

Derral earned a bachelor's degree in communications at Southern Utah University. In his professional life, he has been on YouTube since 2005. He has helped generate nearly 100 billion video views. His book, *The YouTube Formula*, is a Wall Street Journal best seller. Derral is also founder of Creatus, a marketing and consulting company, and founder of VidSummit, an annual video conference.

Derral is the co-founder and executive producer of **The Chosen**, a TV series about the life of Jesus Christ that broke the all-time crowdfunding record in film and television. The Chosen's 2021 Christmas Special broke box office records and was the #1 movie in the country at its theatrical release.

Derral says that at the end of the day, it really is about spreading the message of Jesus Christ rather than hitting #1 at the box office or breaking records. Derral's drive and personal mission is to help individuals, brands, and businesses make a positive impact in the world. He wants to help people with influence spread positivity to their audiences. Derral's devotion to creating an enduring legacy that will impact the world for good is exceeded only by his passion and love for his family. They are the motivating source of his success.

We hope to see all of you there on Monday, May 6th at 12 noon. Thank you for your interest in the Legacy Lecture Series.

Please note: After the summer break, our first Legacy Lecture in the fall will be held on Monday, October 7th at noon. We should be back in the St. George Tabernacle at that time, assuming the remodel construction is complete.
