Utah.

My dear Brother David:-

We reached home, in safety,
at 6:30 a.m. and were met, at Ry Depot by
Quayle with Roy, in buggy, who carried
us to our houses, feeling quite well.

It is to be hoped you and Woodruff reached
Pinto Creek canon as anticipated and that you
are now at home and find the family
in improved health.

It appears strange
to me that we hear nothing from
Aunt Willa, as the folks tell me they
have received no word.

If I can
do any thing for her or any of yours
I shall be pleased to do any thing
you wish me to do. It appears that
an idea prevails that different families
should arrange to make a family day

far our out at leaders, - hence it is now
proposed to have the common family
hold a day there and, next Saturday,
11th inst is fixed upon for the occasion.

I fear the notice is short and a
pave turn out will be had. My
daughters Ann is desirous of going to
Leonora, at the head of Prado, next
week, leaving here, on Monday, 13th
inst. and would like me to go along, con-
ditioned she can have some one to
care for her mother during her ab-
sence. Her mother was quite poorly
during my absence, in St. George.

I regret to have to tell you that Hiram
Moncley telephoned on Saturday Morning,
4th inst, that my Horse Wago, died the night
before, in my pasture at Point of the
Mountain. In a winning deal, be-
fore going south I was offered \$2,500
for him. I suppose it is all right and
I accordingly submit as gracefully
as possible to the inevitable and go
along, as usual. The weather is
quite warm and everything moves
along as usual. It is expected that
Maria will move into the house, in
which Amanda dwelt, as soon as we
can have it prepared. Accept my love
to you and all of yours and ours. I am
your true Brother Augustus C. Carran.
